All plugs produced by WTE PowerBolt are strictly from European materials.

Our products are marked WTE + material + heat number. Additional proprietary markings can also be added upon request. Plugs are supplied with inspection certificates: **EN 10204-3.1 or 3.2** as needed. All materials held in-stock at WTE have complete traceability.

EMERGENCY DELIVERY WITHIN 24 TO 48 HOURS FROM OUR LARGE STOCK OR OUR FAST TURNAROUND PRODUCTION.

**ISO 9001:2016 * PED 2014/68EU * PED 97/23 *
AD 2000 Merkblatt W2/W7/W10 * API * NORSOK**
